

Titus 2: 1-5

- 1 You must teach what is in accord with sound doctrine.
- 2 Teach the older men to be temperate, worthy of respect, self-controlled, and sound in faith, in love and in endurance.
- 3 Likewise, teach the older women to be reverent in the way they live, not to be slanderers or addicted to much wine, but to teach what is good.
- 4 Then they can train the younger women to love their husbands and children,
- 5 to be self-controlled and pure, to be busy at home, to be kind, and to be subject to their husbands, so that no one will malign the word of God.

***What moves through us
is a silence, a sadness,
a longing for one more
day, word, touch and
we may not understand
why you left us,
but little by little,
We begin to remember
not that you are gone
but that You Lived!
And that your Life gave us
Memories too Beautiful to forget!***
